- Slid the upper level WC and lower level accessible WCs, lift and stairs over to the west
- Maximised the meeting room, supporting increased number of attendees, this now adequately seats 12-14 at a push the table shown is 3.8m x 1.2m
- Swung the external meeting room entrance door internally
- Moved the meeting room tea bay sink back to the sketch location in the original extension external wall

- Added a rainwater pipe to deal with the transition between the old extension and the new on the eastern elevation
